DISCORD SERVER RULES

1. 🗨️: Respectful Communication

All members are expected to engage in respectful and polite conversation. No harassment, hate speech, or bullying will be tolerated.

2. 🚫: No Spam

Avoid spamming text or voice channels. This includes excessive messages, irrelevant content, and unnecessary @mentions.

3. 🔒: Respect Privacy

Do not share personal information about yourself or others without explicit consent. This includes addresses, phone numbers, emails, etc.

4. 📢: No Self-Promotion or Advertising

Unsolicited promotion of other Discord servers, social media accounts, or products is not allowed.

5. 🤖: Follow Discord's Terms of Service

By being a member of this server, you are expected to adhere to Discord's official Terms of Service and Community Guidelines.

6. ⚠️: Consequences

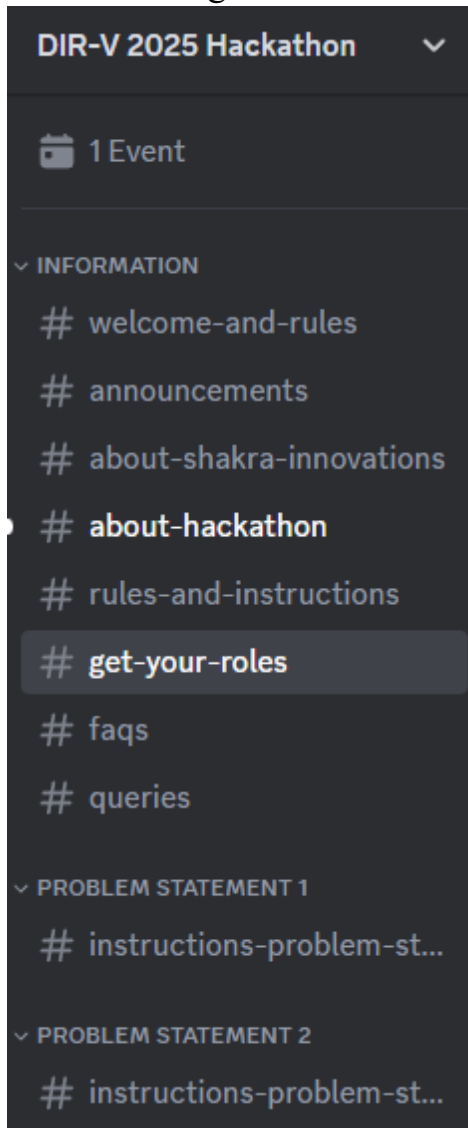

Violating these rules may result in a warning, mute, kick, or ban, depending on the severity of the violation.

7. 📧: Report Issues

If you encounter any issues or have concerns, please reach out to a moderator or server admin.

Welcome to our server, and let's build a great community together! 🙌 @everyone

6. Understanding Discord Channels

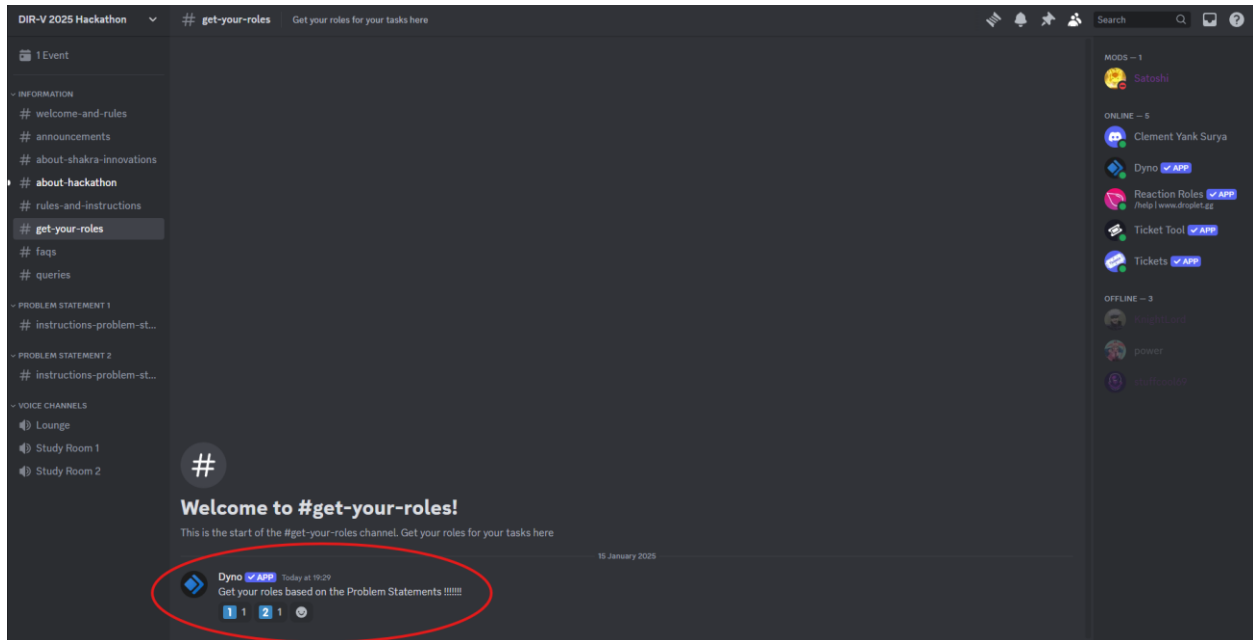

- The “#” represents a Text Channel where Text updates can be received or sent.
- Each Text Channel will serve a specific purpose
- Explore all the Channels
- Use the Text Channel according to the use cases mentioned in each individual channel.

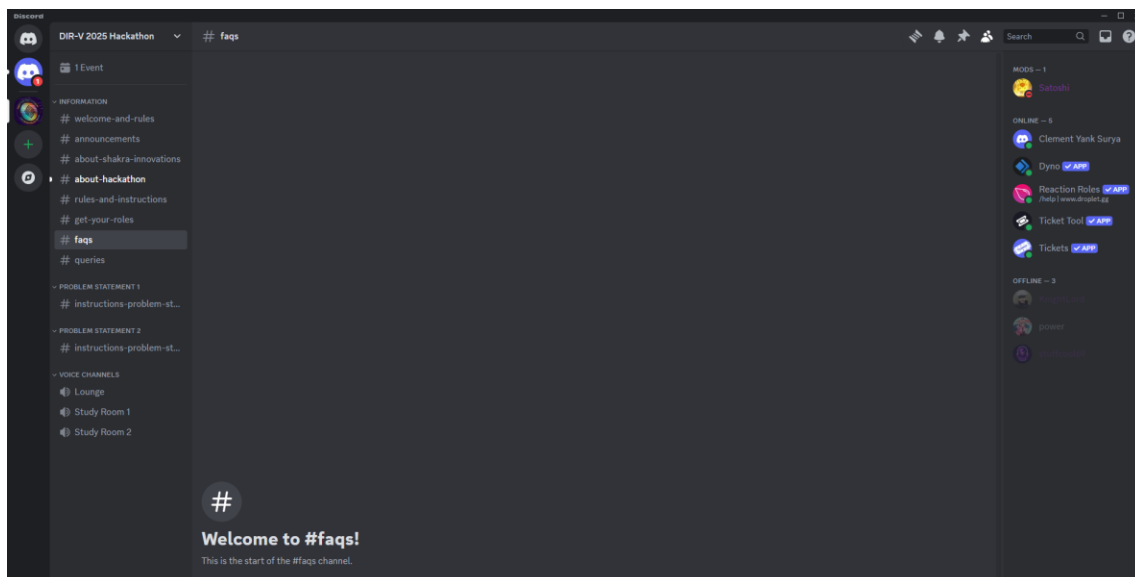

7. Go to the **get-your-roles** text channel immediately after joining the server

Select the poll based on the event you have registered:

- If you have registered for Problem Statement 1: Robotic Sorting Arm, Click on “1”
- If you have registered for Problem Statement 2: Maze Solver, Click on “2”

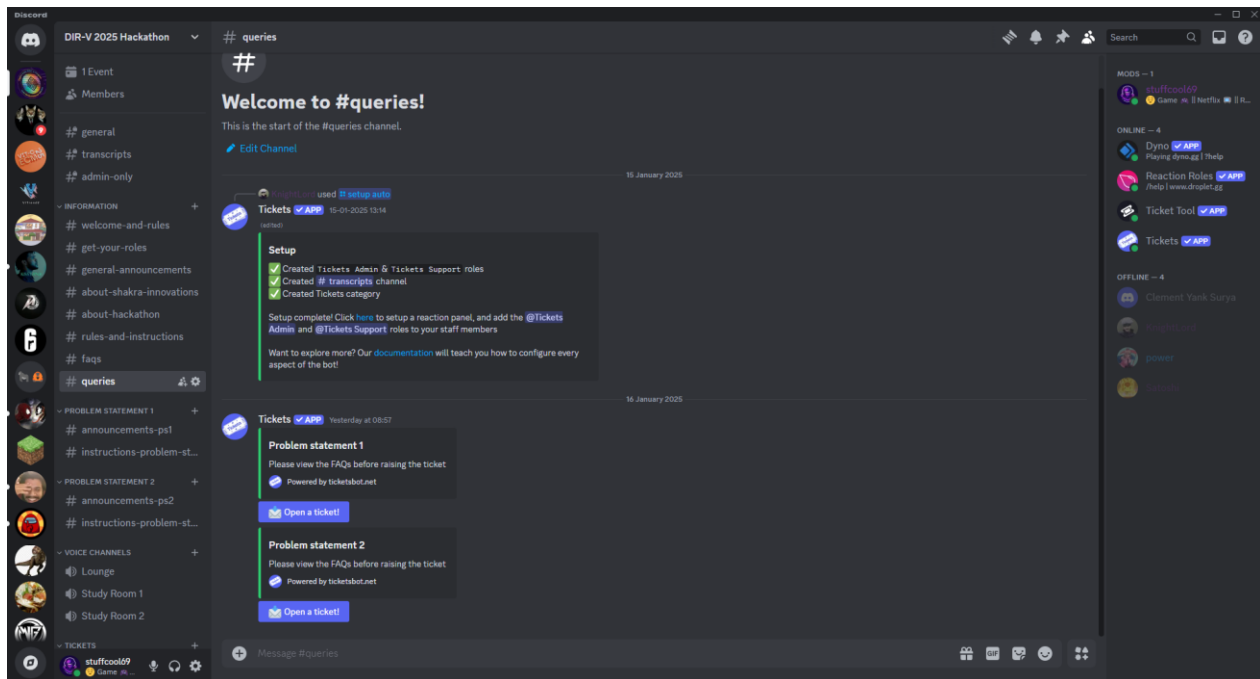

8. Check the **faqs** text channel for any existing support information

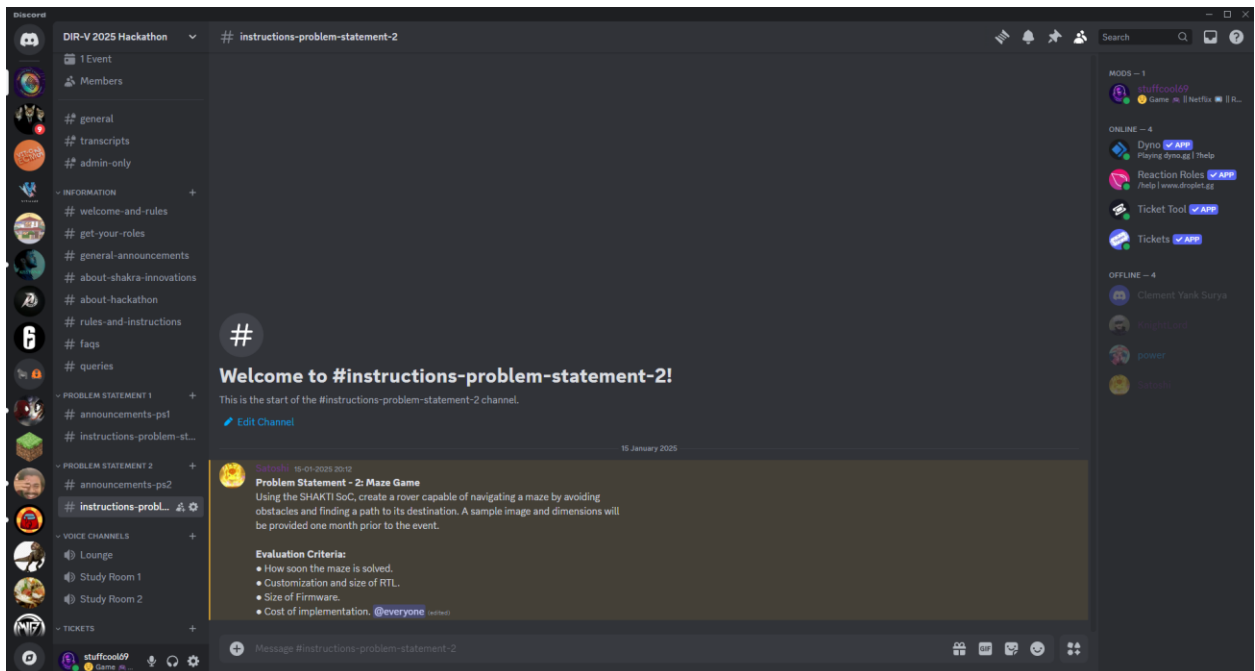

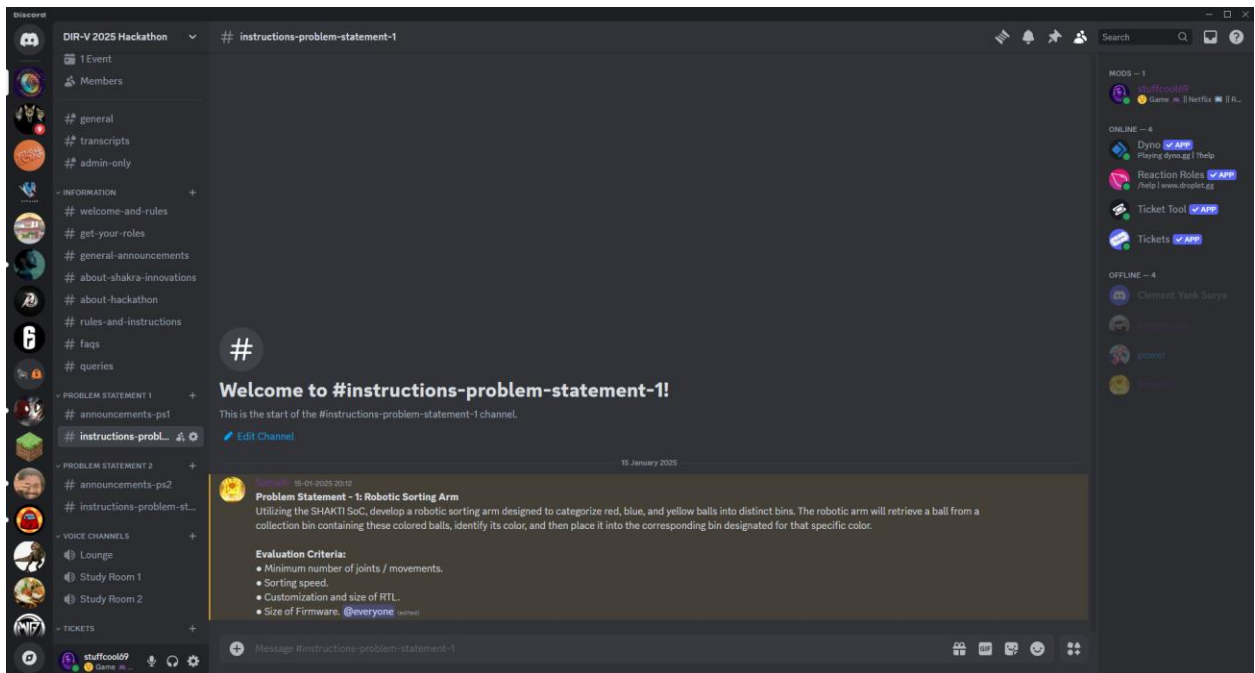

9. If you have any queries to ask the organizers of the event, please proceed to the **queries** text channel.

- If you have queries for Problem Statement 1: Robotic Sorting Arm, Click on “Open a Ticket” for “Problem Statement 1”
- If you have queries for Problem Statement 2: Maze Solver, Click on “Open a Ticket” for “Problem Statement 2”

10. Go through the **instructions-problem-statement-1** and **instructions-problem-statement-2** text channels for information regarding the specific events.

11. Check the **announcements-ps-1** and **announcements-ps-2** text channels regularly for new information regarding the specific events.
